MESSAGE FROM THE SCANLATORS

Hey Guys,

Soo... unfortunately for now we won't be offering the less stamped version anymore as a download on our forum because our goodwill has been majorly abused by the hoster mafia and their readers
So far we've uploaded the heavy stamped version on batoto which was then scraped by the hoster mafia and used on their f*cktard sites. However they have now invaded our forum too and started using our forum download only version, which only featured the occasional group stamp every few pages, and therefore p*ssed us off lots.

It shouldn't be too much to ask for when we tell people to only read at batoto or download the thing from our forum. We spend days and weeks on one single chapter, trying to make the very best scanlation there is, ensuring quality translations and beautiful images. So going to the address line of your browser and going to one of two sites we listed, should really be the least you, the reader, can do. We waste time issuing take-down requests (that are mostly ignored) and putting stamps onto releases which we would rather not.

The more time we spend on those things the less time we have to actually scanlate. Don't you see how f*cked up this is? You read on sites like mangafox, mangapark etc because of convenience but do not realize that by doing so you'll actually get to see a lot less scanlations. It's stupid and honestly retarded. The more angry I get, the less I even feel like scanlating. I don't want money or worshippers or w/e, but I do want and demand respect. If all I get is the middle finger, then I'd much rather shove it. I'm thinking hard about what we could possibly do to have our wishes met. Right now I'm debating with myself about deleting all members of the forum and starting the membership registration anew, making it necessary for every member to actually be an active user, posting comments and showing personality on the forum. That way it would at least become harder for the hoster mafia to keep up with us. The thing is, I hate those kind of things, because I'm a very busy person and therefore understand how people don't have the time or nerve to be active on 9274748 forums to keep reading releases from different groups. But it seems like one of the next logical steps on our way if people cannot meet us half way by heeding the warnings and rules. So should you have made an account on our forum already, do not be surprised if in the future you will have to re-register or something. We have no one on our team who's good with the technical stuff that would enable us to track user activity on our forum to control this mess. If one of you has advanced knowledge about that automated access management stuff and automated individual nickname stamping, and could work with us on a better solution, please contact us. Otherwise we'll have to make the less stamped downloads on demand and manually stamp them with nicknames for each and every person, making the 'bad users' traceable, which would take forever.

As for our last release, *Screaming Lessons* ch 44 and the questions we have received so far.
So far we only did 44. As we have mentioned in our release note, we only did that one chapter until now. Our current members now prefer to work on other mangas, so we'd need new members who want to work on this. The translator might be willing to continue translating it from the Chinese version to English but it wouldn't be a bad thing to have more than one translator and especially a Japanese one. The outcome is always better if you translate it directly from the original and not from another fan scanlation which we did on 44.

Also, we can only continue this manga if we can buy the Japanese raws. No one wants to ever work on the Chinese scanlation again because it's hell. They often did not clean the original but used bigger fonts to overwrite the Japanese, thus it's torture to clean it and type-set. We have started a topic about who might be interested enough to donate to buy the raws. Here's the link: http://s15.zetaboards.com/cookierevolution/topic/8552749/. We will not collect donations until we have enough new members to fill all the working positions of this manga though.

We do not believe in taking people's money if we cannot guarantee the outcome. For now we're simply doing a shout-out to those that might donate, to see if this has a chance. We'll need the money and the people. If we cannot get enough of both, this manga will be dropped for good.

Now on we go with the nicer stuff. Today's release is Akaito ch 33, the first chapter of the last volume of this manga series. Maybe the warnings before didn't suffice, so I made sure no one can miss them on this release. Sorry for this to our nice readers, that respect our warnings and wishes. We're trying to work something out for you again. Make your anger heard on the hoster-mafia sites and let people know how they are destroying our scanlation community.

xo,
Aki

If you want to continue reading scanlated manga stop supporting sites like mangafox, mangago, mangahere, mssmanga etc!! THEY are the reason lots of mangas don't get scanlated anymore or the publishers had the scanlations taken down! Read more about this in the hosting policy on our forum at tinyurl.com/cookierevolution

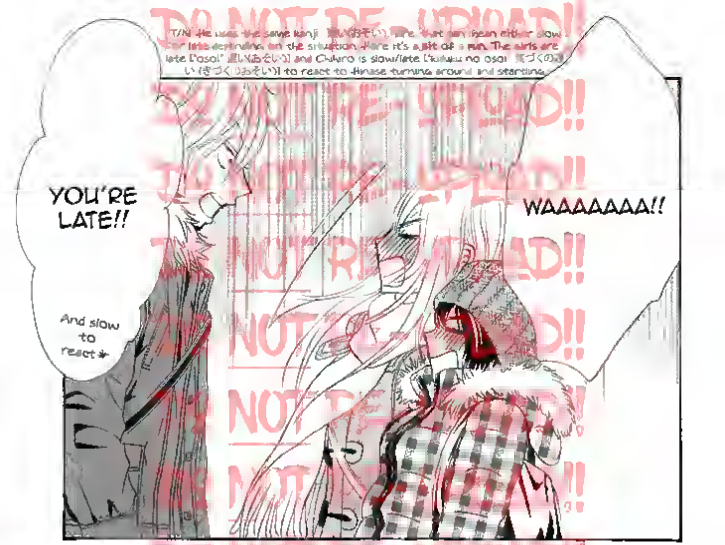
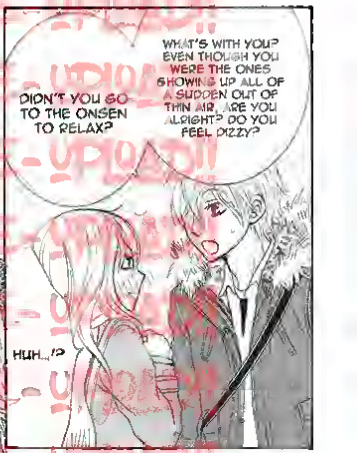
TN: He uses the same kanji 遅い(おそい) here, that can mean either slow or late, depending on the situation. Here it's a bit of a pun. The girls are late (osoi 遅い) and Chikiro is slow(late (chikuwa no oso! 竹輪の遅い) to react to Hinase turning around and standing.





DIDN'T YOU GO TO THE ONSEN TO RELAX?
WHAT'S WITH YOU? EVEN THOUGH YOU WERE THE ONES SHOWING UP ALL OF A SUDDEN OUT OF THIN AIR, ARE YOU ALRIGHT? DO YOU FEEL DIZZY?

TRANSLATOR'S NOTE

JIGOKU ZANMAI (地獄三昧) ONSEN.
CHIHIRO SAYS 温泉 地獄三昧たって!! ("ONSEN JIGOKU ZANMAI DATTE!")

UNFORTUNATELY I CANNOT BE 100% SURE IF SHE SAID ZANMAI (三昧 "ざんまい") OR SANMAI (三昧 "さんまい"). BUT I WENT WITH "ZANMAI" (LUXURY, RICHNESS) AND MADE A PUN OUT OF IT BY USING "A HELL OF" INSTEAD OF "RICH IN/OF" JIGOKU (="HELL") ONSEN.

MY GUESS IS THAT THEY ARE VISITING BEPPU AND CHIHIRO AND CO. ARE CURRENTLY IN THE AREA WHERE MULTIPLE OF THOSE SPRINGS APPEAR IN CLOSE RANGE TO EACH OTHER, SO SHE IS USING THIS AS AN EXCUSE TO CHANGE THE TOPIC. SHOULD I BE WRONG, PLEASE CORRECT ME.

ANYWAYS, I THOUGHT THIS WAS PRETTY INTERESTING AND A NICE TID-BIT OF ADDITIONAL INFORMATION ON JAPAN AND ITS BEAUTIFUL CULTURE AND LANDSCAPE, SO I THOUGHT YOU'D ENJOY IT EVEN IF IT TURNS OUT MY GUESS WAS WRONG.. :)

I'M NOT AN EXPERT SO I'LL HAVE TO TAKE MY GUESS FROM THE LIMITED INFORMATION I COULD FIND AND DRAW CLUES FROM THAT. (APPARENTLY) THE JAPANESE DO HAVE SOME HOT SPRINGS THAT AREN'T USED FOR BATHING AS MUCH AS A TOURIST ATTRACTION TO LOOK AT AND ADMIRE OR CROSS OF YOUR "SPRINGS I HAVE BATHED IN/SEEN" LIST. THEY ARE ESPECIALLY FLASHY AND RESEMBLE SCENES FROM HISTORICAL PICTURE SCROLLS SHOWING DEMONS AND THE LIKE.

THEREFORE THE NAME "JIGOKU" (ENGL. "HELL"). THERE ARE SOME FAMOUS ONES CALLED THE "EIGHT HELLS" IN BEPPU (CHECK OUT THE PICTURES TO GET AN IDEA ABOUT WHAT THOSE "HELLS" LOOK LIKE HERE. HTTP://WWW.JAPAN-GUIDE.COM/E/E4702.HTML, OR HERE HTTP://WANDERLUST-JAPAN.COM/BEPPU-ONSEN-TOWN-WELCOME-HELL-EARTH/)

Zanmai (三昧 'ざんまい") can stand for "luxury", or for *Sanmai* (三昧 "さんまい") Samadhi which is a certain state of concentration reached through meditation and described in Buddhism teachings.
Wikipedia definition Samadhi aka Sanmai (三昧 "さんまい")
